Dear Sirs

Report of the investigation into the mud lab fire on *West Phoenix*, 5 November 2018

We hereby attach our report following the investigation into the incident involving a fire in the mud laboratory on *West Phoenix* on 5 November 2018.

This report describes identified nonconformities, and we would request an explanation of how these will be dealt with. It also contains observations where an improvement potential exists, and we would request your assessment of these.

We would request a response to this letter no later than 29 March 2019. We also request that this letter and the report are made known to Halliburton, Equinor and the elected officers for the workforce, including the safety delegates.

The report will be published on www.ptil.no.

Yours faithfully

Irja Viste-Ollestad, by authority
head of supervision

Svein Harald Glette
principal engineer
