OFFSHORE CLASS, ID OFFCLASS DNV høringsinnspill til endringer i HMS regelverket 2025

Etter invitasjon har DNV har gått igjennom HAVTIL sine forslag til endringer i HMS regelverket 2025 som publisert på deres nettsider. Vi har ingen kommentar til endringene som er foreslått.

HAVTIL har i sitt regelverk en rekke referanser til DNV sitt regelverk. Disse er som regel gitt med referanse til ett gitt publiseringsår. For enkelthet for industrien så ber vi om at hovedregelen er at det refereres til siste utgave av regelverket hvis det ikke er en spesifikk grunn for å bruke en eldre utgave. Under er DNV regler referert i Havtil sitt regelverk som er oppdatert:
