Dear Sirs

**Revised report following the investigation of a naphtha leak at Slagentangen
(007931030)**

On 25 August, we began investigating a naphtha leak which occurred in Esso's refinery at Slagentangen on 24 August 2020.

Our revised report is attached.

It contains a description of identified nonconformities, and we would request an explanation of how these will be dealt with. Observations are also made where a potential exists for improvements, and we would request your assessment of these.

We would request a response to this letter by 31 January 2021 at the latest. We also request that this letter and the report be made known to the elected officers for the workforce, including the safety delegates.

The report will be published on www.psa.no a week after the date of this letter at the earliest.

Yours faithfully

Kjell Arild Anfinssen, by authority
Head of supervision

Ove Hundseid
Principal engineer

This letter has been approved electronically in the PSA and accordingly bears no signatures.
